Online Predator Investigations Training

Online predator investigations require unique skills that are not taught to the average Law Enforcement Officer. This training teaches Officers the entire process from assuming an undercover online identity to courtroom testimony.

Undercover Academy tactics were created to maximize the efficiency of investigations and minimize the risk to Undercover Officers. Students learn universal undercover principles that are effective for ANY size agency.

Upon completion of the Online Predator class, students are given access to the online Undercover Academy document library. Here they can access all the necessary forms to organize and streamline their investigations.
