Online Predator Investigations Training

Online Predator Investigations demand specialized skills that go beyond the standard training provided to most law enforcement officers.

This course is designed to equip officers with comprehensive knowledge and capabilities, guiding them through every step of the investigative process—from creating an undercover online persona to presenting evidence in court.

Topics Covered

- Establishing an undercover online profile
- Identifying online predators
- Communication strategies
- Maintaining undercover identity and controlling situations
- Conducting surveillance
- Risk management during suspect meetings
- Safety during search warrants
- Utilizing computerized evidence
- Documenting undercover actions
- Effective courtroom testimony
- Physical and mental well-being
- Conforming to ICAC standards
